

REFUND POLICY AND REQUIREMENTS FOR WITHDRAWAL AND RETURN OF FEDERAL FINANCIAL AID

Withdrawals

If a student should find it impossible to continue in school, he or she should initiate withdrawal procedures by notifying the office staff in writing. The staff will assist the student in the procedures for completing formal withdrawal.

Students withdrawing from individual classes will receive a "WP" on their transcripts if they withdraw by the end of the second week of a six week period, and a "WF" if the withdrawal occurs after the second week, unless the school permits the student to cancel his or her enrollment.

Students shall be considered to be enrolled in the School until: (a) the School receives written notification that the student desires to withdraw; (b) the student is terminated by the School; (c) the student fails to return to classes at the start of the next quarter; or (d) the student discontinues attendance with the intent not to return.

Refund and Cancellation Policy

The following refund policy shall apply to students at the School's campuses:

- A. Cancellation: An applicant who is accepted for admission may cancel his/her enrollment agreement not later than five school days after the start of scheduled classes in the applicant's first term in school. This cancellation provision applies ONLY to students in their FIRST term. Students who continue attending classes in second or subsequent school terms and then drop out or are dismissed are subject to the refund policy described in paragraph B below. Applicants who cancel their enrollment will be given a full refund of all monies paid for first term tuition and fees.
- B. Refund – Students are charged tuition for each term during which they attend class. A student who begins classes and then withdraws, or is terminated, prior to the end of a term will receive a refund of tuition for that term in accordance with the standards described below.

First Week – For a student terminating training after entering school and starting the course of training, but within the first 7 calendar days of the term, the tuition charges made by the school shall not exceed 25% of the tuition for the term.

After the First Week – For a student terminating training after the first 7 calendar days but within the first 25% of the term, the tuition charges made by the school shall not exceed 45% of the tuition for the term.

After 25% - For a student terminating training after completing 25% but within 50% of the term, the tuition charges made by the school shall not exceed 70% of the tuition for the term.

After 50% - For a student terminating training after completing 50% of the term, no refund will be due for the term.

- C. For purposes of computing the amount of refund due, if any, for students who discontinue attendance for any reason after enrollment and commencement of classes, the date of withdrawal from the School will be used in the computation of the student's refund.
- D. This refund policy shall apply to all situations in which a student ceases attending classes prior to graduation whether such cessation is the result of the student's voluntary decision to withdraw, the expulsion of the student by the School, or reasons beyond the control of either party.
- E. Notifications of withdrawal of cancellation and requests for refund must be in writing and addressed to the Campus Director; however, failure to make such written notification or requests shall not invalidate the student's rights under this contract to withdraw, cancel enrollment or receive the refund to which the student would otherwise be entitled.
- F. Students receiving USDOE Title IV funds, who withdraw or are terminated from the school and who are entitled to a return of Title IV funds, will have the funds returned to Title IV programs in the following order of priority: *
 1. Unsubsidized Federal Stafford loans;
 2. Subsidized Federal Stafford loans;
 3. Unsubsidized Federal Direct Stafford loans;
 4. Subsidized Federal Direct Stafford loans;
 5. Federal Perkins loans;
 6. Federal PLUS loans received on behalf of the student;
 7. Federal Direct PLUS loans received on behalf of the student;
 8. Federal Pell Grants;
 9. Academic Competitiveness Grants;
 10. Federal SEOG funds;
 11. Other grant or loan assistance authorized by Title IV of the HEA;
 12. To the student's credit against any debt owed the school, and if none, to the student.

Returns of Title IV aid will be distributed up to the amount due to each program, with the balance, if any, then going to the next program in order. *If applicable program regulations require a different order of refund priority, the program regulations will govern and the order of refund priority will be modified accordingly.

Return of Federal Financial Aid

- G. Federal Return of Title IV Funds Policy – The Return of Title IV Funds Policy applies to every student receiving funds from the Federal PELL Grant, Federal Supplemental Educational Opportunity Grant, and any Federal Student Loan Program, including the PLUS loan. Under the Return of Title IV Funds Policy, students need to be aware of the following:
1. A student earns federal funds based on the length of time he or she attended school.
 2. A student cannot earn 100% of the federal funds to which he or she is entitled until he or she has completed more than 60% of the quarter.
 3. If a student withdraws from the School, the last day of attendance (LDA) determines the cut-off day for federal funds eligibility.
 4. After the School determines the LDA, the School will determine the number of days the student attended as a percent of the total number of days in the quarter.
 5. The institutional charges incurred by a student do not factor into the amount of federal funds that a student has earned.
 6. The School is not entitled to keep students' unearned federal funds. Unearned federal funds that have already been posted to a student's account must be returned to the Federal Government if a student withdraws before completing 60% of the quarter.
 7. Any student who needs to withdraw from the School must notify the Financial Aid Officer or Campus Director.
